## EDITOR'S MESSAGE

by George D. Timpson

Dear St Paulians,

This is the fifteenth edition of *The St. Paul's Chronicle* and it deals with the upcoming months of June to the end of September, 2023. It also shows memories about the activities from last March through to nearly the end of this May. I hope you enjoy reading it and take note of the events which are happening in our church life.

I would like to thank Rev. Debbie, Mimi Price, and my wife, Ann, for their contribution of photographs. The pictures show the atmosphere of the event and add a lot of lightness to a newsletter.

This newsletter has a new report on the activities of our Church Sunday School prepared by Jeanette Muhr. Thank you, Jeanette, for your contribution.

As Mike Sindrey was away as the deadline for this edition came, Mimi Price wrote the Wardens' Report on behalf of both canonical wardens.

As a personal note, on Monday, August 14, Ann and I will be leaving for an 11-day cruise on board the Silversea *ms Silver Shadow*. The cruise starts in Quebec City, Quebec. and makes its way down the St. Lawrence River into the Gulf of the St. Lawrence. We fly home from Quebec City on Friday, August 25, 2023.

As I have tried to stress before, if you would like to write something for this newsletter, then please let me know. You can send it to me as an email attachment to [georgetimpson@rogers.com](mailto:georgetimpson@rogers.com) or pin it to the "You've got mail" section of the bulletin board outside the church office as a handwritten note and I will type it out for you.

The next edition of *The Chronicle* will be released on Sunday, September 24, 2023. The deadline for submissions will be **Thursday, September 14, 2023**. Earlier submission of articles is always welcomed.

I hope that you will keep this copy of *The Chronicle* on your coffee table for frequent reference so that you are aware of what is happening at St. Paul's!

For the record, this edition consists of 5,500 words.

Enjoy this edition!

# *In Memoriam*

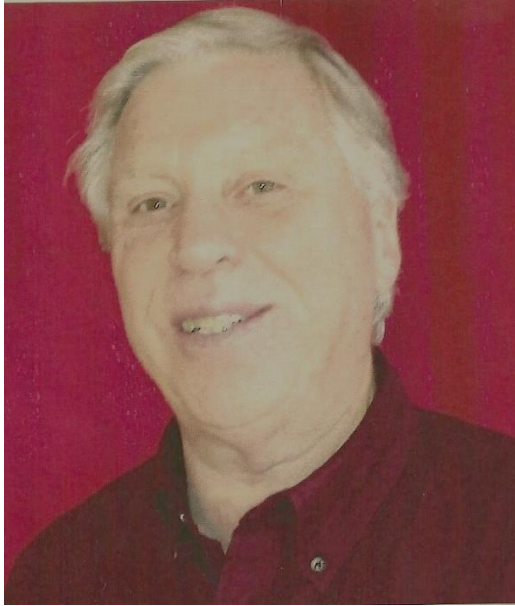

*George Crews*

*August 5, 1930 - March 25, 2023*

Suddenly and peacefully at his home, aged 92. Beloved husband of Phyllis Crews (nee Green) for 63 years. Honoured father of Brian Crews and of Brenda Longo (Aldo). Cherished grandfather of Nicholas and Andrea. Survived by his sister Mary Moulton. Will be sadly missed by his many nieces, nephews, and long-time friends.

It was home that defined George Crews. He always worked hard to support them and to provide for them. To George, his family meant everything.

We remember a man who brought part of his Newfie rock with him as he lived with those eastern values of welcoming and including. George never met someone whom he could not befriend. He was a warm and fun-loving person who always had a story.

*David "Dave" Charles Frederick Martin*

*Aka: St. Paul's Santa Claus*

*December 4, 1942 - April 19, 2023*

Beloved husband of Barbara Martin for 56 years of married life. Cherished father to Karen Smith (Paul), Tracy Thompson (Ron) and Scott (Lisa). Loving Papa to eight grandchildren. Predeceased by brother Clark Martin (Lori). Brother of Janice Reber (Tom). He will be fondly missed by many nieces, nephews, and in-laws.

We give thanks for his 81 years. Dave was a man who had high standards and asked a lot of himself and those around him. Punctuality was a must and if you could be 15 minutes early, that was even better. Dave wanted to give back to the larger community and he was involved in leadership in many organizations like the Shriners, the Masonic Lodge, and the Probus Club.

Dave was an extroverted extrovert and he had a delightful and ever-present sense of humour. He loved to tease and was somewhat surprised when he was teased back. His energy and his warmth were infectious.

Dave and Barb have been active in ministry at St. Paul's. Dave served on the Parish Executive Committee as a churchwarden and head of the property committee. A lifelong Anglican, Dave was a Lay Worship Assistant which was his way of expressing his quiet, yet deep spirituality.

## **DEBBIE'S DESK**

**by The Rev. Debbie Dennis**

The statistics are pointing to an alarming reality. Race-based attacks against minority groups are on the rise. One of the usual targets has been the Jewish people. Much of the antisemitism that Jews have faced has been reinforced by a misunderstanding of Holy Scripture and especially the Holy Week narrative. I offer you this very well-written and thought-provoking post by Sara Parks that I downloaded from Facebook. She called it a Public Service Announcement for Christians at Easter.

“As a person whose professional speciality is Judaism in the Second Temple period, I have to point out that there was no monolithic "The Jews" in the New Testament period (any more than there is a single "The Christians" now). There were extremely diverse expressions of Judaism, coexisting sometimes peacefully and sometimes in tension), and we see a whole range of them in the New Testament.

“Everything -- from messianic expectations (or total lack thereof), to Torah observance, to language, to views on the Empire(s) -- was a wide-ranging spectrum.

“To think one knows about "The Jews" based on the hotly charged polemics in the New Testament is extremely dangerous and has been literally deadly for Jews.

“All of the authors of the New Testament (with the possible exception of Luke/Acts who was perhaps an adult proselyte) were Jewish. Jesus lived and died a Torah-observant (and rather conservatively so) Jew. So did Paul. (See Eisenbaum, Fredriksen, Nanos, Gager, Zetterholm, Boccaccini, etc.)

“The idea of a messiah is Jewish. Reinterpreting current political events in light of Hebrew and Greek Scriptures was Jewish. Debating whether or not God was going to destroy the empire using a Jewish military or a Jewish martyr/sacrifice WAS JEWISH.

“When a text in the New Testament says "The Jews" (οἱ Ἰουδαῖοι) it does not flat out mean "the Jewish people". It means, in context, things like "temple authorities," "rich elites," "a different group from me that I am mad at," "a group that is trying to urge pagans to full Torah Observance," "a group of Jews from a different place than my group (e.g. urban/rural)," or even "a group I am

retroactively throwing under the bus because I'm scared of Rome crushing my group next.”

“So many notions that come out of churches reading the New Testament without context are dangerous and deadly. So, do Christians all have to do PhDs in history? Of course not. But when in doubt (hint: that's all the time), interpret the New Testament in church in ways that are radically generous, and that result in \*less\* violence and hatred, not more.

“99.99% of the time if you're not a historian of antiquity you're getting the history part a bit wrong anyway, so just make a \*choice\* to interpret towards love and justice now, rather than pretend to make claims about "the Jews" in the Greco-Roman period. There are plenty of important lessons in those texts that are a lot more pressing than what this or that 2000-year-old minority Jewish group got wrong.”

## **ST. PAUL'S SUNDAY SCHOOL**

**By Jeanette Muhr, Children's Ministry  
volunteer**

The lesson on Sunday, April 30, 2023, was “The Church Grows” (Acts 9:26-31).

The craft we did that day, as carefully curated by Rev. Debbie, was a church with a congregation inside and our St. Paul's motto – ‘everyone is welcome’.

I learned two things from this lesson. Firstly, that we need to spread the word and be disciples and preach. What we love about our church family, we should be

sharing with the community. If it fills our hearts, it may be what others need too. As Rev. Debbie says all the time, we need to be GOD with skin on.

Secondly, we are growing the next generation of Christians. We teach the kids each week and instill the word in each of the lessons we share with them.

My daughter (shown in the picture) loves coming to church each week. She LOVES attending Sunday school. She is disappointed when we can't make it and she has to miss out on her weekly teachings. If I'm being honest, at her age, I didn't enjoy attending church with my mom on Sunday. Our Children's Ministry was not engaging or fun, and while I attended each week until I was a young teenager, I can say that the love my daughter has for St. Paul's is a testament to our church culture and environment. We are growing the church by making it fun, engaging and welcoming to our youngest generations.

This lesson ended in prayer: "Thank you God, for the church in Bible times and our church today; in Jesus' name we pray. Amen."

## **CEMETERY SUNDAY SERVICE**

**Sunday, June 4, 2023, at the 11:00 AM Service**

The new columbarium will be blessed at the conclusion of the church service.

At the conclusion of the cemetery ceremony, everyone is invited as a guest of the Cemetery Board to enjoy a lunch provided by the Cemetery Board in the Parish Hall.

No charge for lunch. Free-will donations accepted if you wish.

## BOOKS 'N THINGS IN THE LIBRARY

by Ann Timpson, Church Librarian

The current display of *Overcoming Handicaps* will continue through much of June. It will change in time for July and Canada Day to tell about *Some Canadian Authors* in our collection.

Probably one of the best-known Canadian authors is Lynn Johnson, and her cartoon "*For Better or for Worse*". This long-running work shows Ellie and John Patterson in their Toronto home with their children Michael, Elizabeth, and April. Unlike other cartoon families, Lynn let the children grow up. When they started, Michael was a little boy and Elizabeth was a toddler.

As Lynn herself approached middle age, she wondered about having another child, herself. However, she let Ellie become the new mother and April was born. As Ellie's time approached, Lynn had many letters asking if the child would be born in the hospital or at home. Lynn got around this by having a bad snowstorm at the end of March, so that little April had to be born at home, delivered at home by a neighbour under instructions from the hospital.

Lynne also included controversial topics. Ellie's best friend, Connie, was an unwed mother. Her son, Lawrence, on reaching his teens, declared he was gay.

Elizabeth's favourite teacher was in a wheelchair. At the end of the series, April's high school class mixed with a group of mentally handicapped fellow students and learned to work with them.

After thirty years of drawing the adventures of the Patterson family and their friends, Lynn retired. By this time Michael was married with two children, Elizabeth had just wed her childhood sweetheart, and April was working out west and had a boyfriend there.

Another prolific Canadian author is Janette Oke. Many of her books about early settlement of Canada's prairies have been made into movies, some of which we have, as well. She has also written three books with American author Davis Bunn under the collective title *Acts of Faith*, telling the story of the early church from Jesus' resurrection to the conversion of St. Paul. In her most recent book in our collection, Janette Oke collaborated with her daughter Laura.

Another mother-daughter writing is a short story by Mary Peckover entitled *The Gospel Writer*, telling the background of the second gospel. *The Gospel of Mark*.

Mary's daughter, Ann, added a footnote, telling a few things, including what must have been an experience of Mark's at the time of Jesus' arrest.

Mary also wrote the script for a quiz show *Men of the Bible*. At the church she and her husband attended while snow-birding in Florida, several men, including the minister, had great fun performing the work. Incidentally, when the elderly gentleman playing Methuselah was heading up the church aisle, Mary's husband walked beside him to be sure he made it. Would that make him Methuselah's "great-great-ever-so-many greats" grandson?

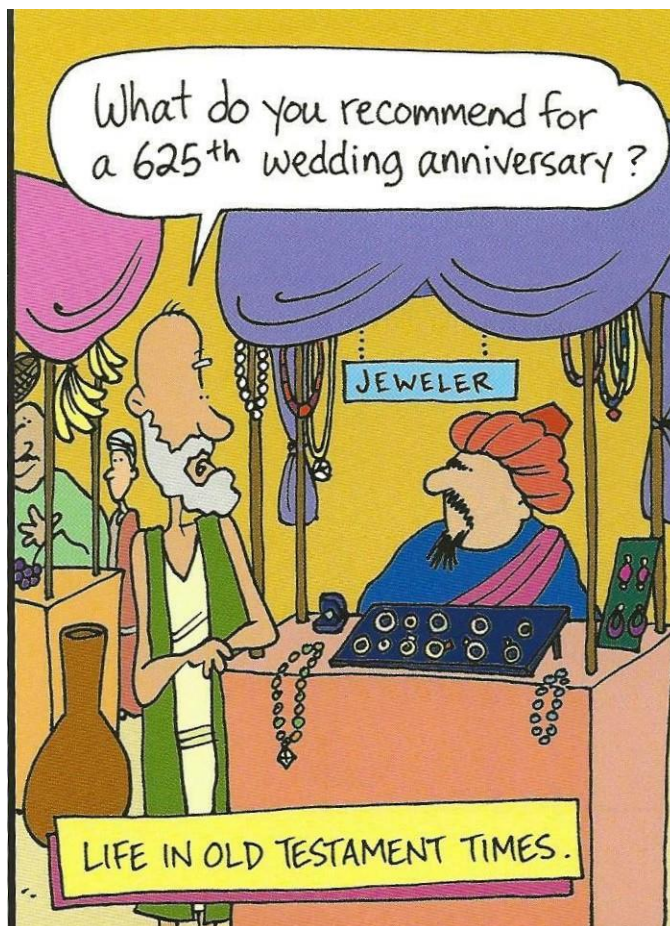

Remember, people in the Old Testament lived to great ages, but Methuselah holds the record and is listed in the *Guinness Book of Records*. According to the book of Genesis, he lived to be 969 years and died "old and full of days". Someone back then had a sense of humour!

This production was video-taped and is included on the fourth disc of the production *Soul Liberty*, more about this later.

Mary's daughter, Ann, also wrote a series of "explorations" for young people called *How We Got the Bible in English*. This work is in a looseleaf binder in the Young People's section of our library.

*Soul Liberty* was a Canadian TV production of thirteen half-hour shows (without commercials) showing the development of the Christian church from the fall of Rome to the present day. I have put these on four DVDs, with the last disc containing the final episode, followed by *Men of the Bible* and a programme about the Shakers entitled *I Don't Want to Be Remembered as a Chair!*

Canadian author Thomas B. Costain wrote several novels, including *The Silver Chalice*, a book about a man who is commissioned to make a holder for the cup Jesus used at the Last Supper. The book was made into a movie starring E.G. Marshall, Paul Neumann, and Canadian actor Lorne Greene.

Canada's soldier poet, John McCrae is best known for his poem *In Flanders' Fields*, but he wrote many other pieces. You will find these in a duo-tang folder with a picture of the author on the front. Some of his poems are included in the book *The Story of the Poppy*, which also includes works of several World War I poets, several of them Canadian.

Three Canadian comedians are next. Johnny Wayne and Frank Shuster wrote their own scripts and gave us many years of enjoyment with their quips. Both men were born and raised in Toronto. They performed internationally, very often on *The Ed Sullivan Show*. In fact, Ed wanted them to appear on every show, but Johnny and Frank realized that would mean living in the US, so they declined. Their agent was heard to mutter, "You'd make more money if you weren't so patriotic!"

We have two DVDs of Wayne and Shuster. The second one begins with another Canadian comedian, Don Herron, also known as Charlie Farquharson. In that sketch, called *Charlie Takes the Pledge*, he learns about stewardship in church.

These are just a few of the Canadian authors in our collection. This article is to be continued in the next issue of *The Chronicle*.

## **PRAYER SHAWL MINISTRY**

**by Helen Steenkamer-  
Punshon, Co-ordinator**

Oh, how I love this beautiful spring weather we are having! The leaves are coming out, flowers are blooming, birds are singing, the bunnies are busy eating the new grass, chipmunks and squirrels are trying to get into the bird feeders for those lovely seeds and St. Paul's is getting ready for their annual Plant Sale. So many blessings!!!

Our group just had a whole lot of new shawls/throws blessed this past Sunday, May 7, 2023, and our inventory is quite full. We really would love to give these items to their forever homes so please help us do this by letting us know which people we can give these gifts of love to. It will give us room to craft more shawls/throws/blankets. Not that we need an excuse, we just love doing it! Think about who:

- ♥ Is celebrating a milestone birthday
- ♥ Is celebrating a milestone anniversary
- ♥ Is leaving home for college/university
- ♥ Is graduating from post-secondary learning
- ♥ Is having health challenges of any kind and would benefit from a tangible form of support
- ♥ Is suffering a loss and needs to wrap themselves in comfort and love
- ♥ Is having a Baptism, Marriage, etc.
- ♥ Is moving away or bought a new home
- ♥ Is just needing some much-needed support

Just leave a message or note in the office with your request and we will happily provide you with a shawl/throw to give to the intended person. They do not have to be a member of the parish, simply anyone you feel could use some extra love and support.

How about joining our incredible group? We are an open group and would love to have you come to our meetings – 2<sup>nd</sup> Wednesday of every month from 9:30 AM – 11:00-ish. We sit and knit or crochet, drink coffee/tea/water and chat. There are never any quotas on what you make, you choose whatever you wish to work on, we can supply you with yarn and tools to use, resources/patterns and a plethora of help if you need or want it. Come and make a difference in someone's life!!!

Wishing all of you all a fantastic summer filled with everything that brings joy and delight to you heart.

## **MESSAGE SEEN ON A CHURCH SIGN:**

Nothing ruins the truth like stretching it.

## **TREASURER'S REPORT**

**by Mimi Price**

Thank you, the people of St. Paul's for your on-going contributions to the life of St. Paul's.

While our debt has been growing over the years, so have your contributions.

I report regularly to the Diocese's Parish Financial Support Committee which supports those parishes who have debt with the diocese. The good news is, there are more parishes with debt than there are without debt. The bad news is that because of this, the diocese cannot forgive our debt. We have been upfront with this committee for the last few years, so they know we acknowledge our debt and are working to pay it off. I feel it is important to be open and honest and work with supports to address our debt and how we will clear it. Clearing our debt will take time, as we are topping up our diocesan allotment every month to address this.

Special events such as the upcoming Plant Sale Extravaganza and of course our Christmas Bazaar are critical to our financial situation. When I see all that goes into these events, the time and the busyness that involves so many people and the talents of so many, I am reminded of Luke 12:34, "For where your treasure is, there your heart will be also".

We care about each other and that is the essence of St. Paul's! When I look out on the congregation on a Sunday, I see the talents of those who contribute in their own special way to strengthen St. Paul's.... and that is EVERYONE. More than that, I see people who care for each other and enthusiastically support each other. Rev. Debbie encourages us to be "Christ-like" and to be "God with skin on" and it is through the actions that contribute to this, that we are at St. Paul's are so strong. When one of us is in pain, all of us are affected. We are a family and as a family we love and are there for each other.

What does "supporting each other" have to do with debt? We have seen over the past few years, that when we have a death in the parish, the contributions from parish members are very comforting. It is as though we want to strengthen the spirit of St. Paul's in remembering those who have meant so much to us... members of our family. The families of those who have died have specified their support for St. Paul's and their ongoing belief in the ministry done here.

We all believe in the ministry of St. Paul's and continue to support it. Thank you for all the ways you contribute to the life of St. Paul's and the family that is supported by it.

## **ST. PAUL'S CEMETERY BOARD NEWS**

**by George D. Timpson**  
**Chair, St. Paul's Cemetery Board**

The Cemetery Board is alive and well with lots of things happening! Whoever thought that becoming the Chair of the Cemetery Board would have the CRA chasing you? Not only that, but the BAO (Bereavement Authority of Ontario) also chases me, and sends me messages: some informative and some complaining.

Let me assure you and put you back to eternal sleep, especially our inhabitants of the cemetery, that everything is fine. Our reports are completed and submitted. We are fully accredited as a proper Canadian charitable organization with the CRA and our cemetery licence is intact with the BAO.

On the lively side of the Cemetery Board's operations, we have our annual Cemetery Sunday occurring on Sunday, June 4, 2023, at the 11:00 AM service. I hope many of you will attend. We even offer you a free lunch after the church service and cemetery ceremony.

This year we will be blessing our new 64-niche collunarium within our cemetery. Weather permitting, we will proceed across St. Paul's Crescent to the cemetery property. There, our ex-officio board member, The Rev. Debbie Dennis, will bless the new columbarium, amongst other prayers. If it rains, bring an umbrella!

After this celebration, you can tour the cemetery to visit the places of your resting friends and relatives, before coming back across St. Paul's Crescent to join the group in St. Paul's Parish Hall for a lovely luncheon. No charge as this is our "thank you" to you.

Executive members of the Cemetery Board met with our Cemetery Operator, Sanderson Monuments Company Limited, to determine just where the new columbarium should be erected. Decisions were taken, and the attached photos show the outline of two new columbaria. We are only building one at this time.

We thought it important for the future new members of the board that we establish a place for the second columbarium so that the balance of the overall design of the columbaria area would be preserved in perpetuity. This will ensure that the stonework which provides the foundations are all at the same level and of the same quality and design.

At this time, the new foundations were installed on Tuesday, May 16, 2023. The actual columbarium will be installed on June 1<sup>st</sup>. The landscaping around it will be completed after our Cemetery Sunday service.

On other notes, our cemetery board is in good financial condition thanks to you who support the cemetery and this charitable fund. When I was getting permission to build the new columbarium, our Diocesan Cemetery Co-ordinator raised questions that this addition had to be all approved by the BAO and the Anglican Toronto Diocese Executive Board before we could proceed. I was able to inform him that we had a Cemetery Improvement Fund, as well as the legislated Care and Maintenance Fund, which he was able verify, and everything was immediately cleared to proceed without any further red tape.

I would like to salute the work of our Cemetery Board Treasurer, Roger Rix, for his stewardship of the cemetery funds over the last 10+ years, I am sure. Roger has been the Cemetery Board Treasurer much longer than I have been a member of the Board. Thank you, Roger, and other long-standing members of the Board.

Our Board members are Roger Rix, Jan Chaytor, Mike Hogg, Mark and Kathy Hall, Jennifer Srigley, my wife, Ann, and me. Rev. Debbie is an ex-officio member. Our meetings are always attended by the principals of Sanderson Monument Company Limited.

If you need any information about our church cemetery, please contact Janet Sanderson at 705-326-6131.

## **WARDENS' MESSAGE**

**By Mimi Price and Mike Sindrey**

### **Mapleview Road Widening Update**

The widening of Mapleview Drive west of Yonge Street has now been completed and the next phase in the further development of Mapleview is to widen it to four lanes east from Yonge to Prince William Way.

There was talk of the train tracks being twinned, therefore necessitating the road going under those tracks. The underpass is not the plan at this time, as the cost is prohibitive, but the road will be widened sometime in 2024. The City of Barrie met with the parish executive and provided diagrams as to what would happen. Mapleview, between Yonge and the train tracks will be raised, such that our electric sign on Mapleview just outside the back door will need to be lifted. As well a retaining wall will be built between Mapleview and our property. There are small corner pieces that the City of Barrie needs to purchase from us and that has been negotiated, in consultation with the diocese of Toronto, who owns the land. During construction, the City will need to have their vehicles on our property to do the work and we have given our permission for that to happen.

What will also affect us is that there will be a median installed along Mapleview, such that upon leaving St. Paul's one will be unable to turn left onto Mapleview or cross Mapleview along St. Paul's Crescent heading north.

Yonge St. at Mapleview will also be widened and that is farther down the road in terms of timing. Suffice to say, we are located at a busy intersection that will only become more congested as our area continues to grow with so many houses being built to the east and the west of our location.

### **Property Update**

Some of you may have noticed a pail in the foyer of the church in February/March. This was due to water/ice backing up and getting under the roof shingles. We had it inspected, and we will install electric cables on the roof in that area, so that the snow does not build up in the roof valley as it did this past winter. All the rain we had in April/early May was not a problem for us.

Winter was not too hard on us this year and we are grateful for that.

### **Fun Fact**

When the new columbaria foundations were being installed in May, a portion of the foundation of the 2<sup>nd</sup> St. Paul's church (the first and the second churches both burned) was unearthed!!
