EDITOR'S MESSAGE

by George D. Timpson

Dear St. Paulians,

This is the eighteenth edition of *The St. Paul's Chronicle* and it deals with the three upcoming months of June to the end of August, 2024. It also shares the events which have occurred since our last edition which dealt with the four months of February to May, 2024, inclusive. I hope you enjoy reading it and take note of the events which are happening in our church life.

On a personal note, you may recall that my wife, Ann, and I were taking a cruise starting in late January from Cape Town, South Africa, arriving in Athens, Greece, in late March. Well, because of the war situation in the Red Sea and shipping attacks in the general Gulf of Aden area, Silversea abbreviated the cruise by cancelling the last two segments of the four segments which made up the total cruise. Thus, we disembarked the ship in Seychelle, and flew from there to Dubai, then to Toronto by way of Houston, Texas. At least we were all safe!

As well, on April 9, 2024, Ann suffered a very minor stroke and was taken to Royal Victoria Hospital by ambulance. She was released on April 16 and has been receiving care at home. We were very lucky that none of Ann's vitals were affected, and the physiologist has her doing exercises to strengthen her left arm and improve fine motor co-ordination. A very minor stroke such as Ann's is often referred to as a TIA (Transient Ischemic Attack). This does not affect the brain permanently, and a full recovery often occurs.

I would like to thank Rev. Debbie, Mimi Price, Mark and Kathy Hall, and my wife, Ann, for their contribution of photographs. These pictures show the atmosphere of the event and add a lot of lightness to a newsletter.

The next edition of *The Chronicle* will be released on Sunday, August 25, 2024. The deadline for submissions will be **Thursday, August 15, 2024**. Earlier submission of articles is always welcomed.

With regard to the calendar of events at the back of the newsmagazine, I assure you that every effort is made to ensure accuracy; however, as time progresses, plans change, and some timings/events do, too.

I hope that you will keep this copy of *The Chronicle* on your coffee table for frequent reference so that you are aware of what is happening at St. Paul's!

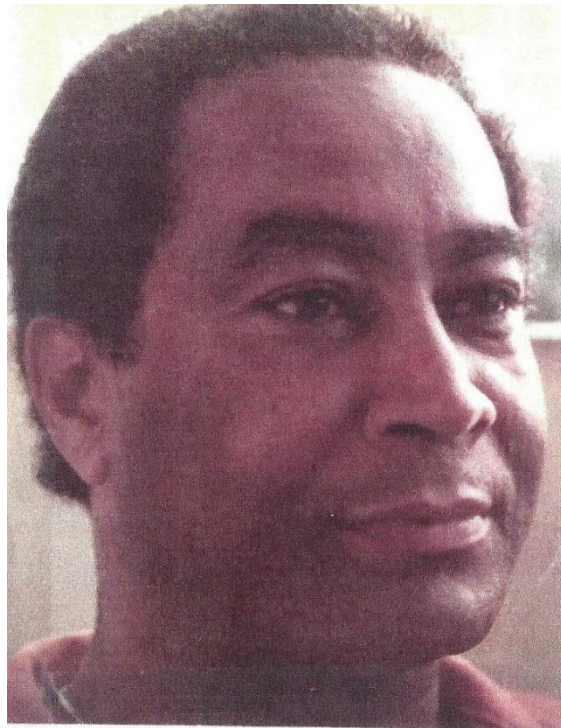

For the record, this edition consists of 5015 words.

Enjoy this edition!

In Memoriam

Edward Emanuel Nassy

May 6, 1933 - November 18, 2023

Ed was born in British Guyana and went to England to pursue engineering studies. He met his wife Sue while she was a nursing student. They have been married for 62 years. They have two adult children: a son Andre and a daughter Lisa who is married to Chris. Andre and his father share a scientific mind and Andre also became an engineer with the military. Lisa and Chris are major Star Wars fans and she credits time spent with her father Ed stargazing through his telescope as sparking this interest. Ed was a charming man with many hobbies. He loved jazz music and cooking his native Guyanese food, especially mango salad. He was a regular at the 9:30 am worship service and developed a close friendship with Judy Hecking and Flo Dament, whom Sue said he joking called "his Sunday wives." Indeed, he was a compassionate listener as they both were caregivers for their husbands who had previously died.

Zana Kyle

December 12, 1972 - Monday, May 6, 2024

Zana loved to cook and experiment with herbs and spices. She also had a kind and generous spirit. To mark this, those gathered at the funeral were invited to take a potted herb with them in her memory.

Zana loved children and her playful nature was brought out joining with them in playing games and sharing sweets.

She was a hardworking professional woman working at a securities company.

She will be missed by her parents and St. Paul's parishioners Daisy and Cecil Kyle, her former partner Allan, an extended family in Ireland who she knew well and a large and varied group of friends.

Paul David List

March 21, 1949 – March 5, 2024

Suddenly, on Tuesday, March 5th, 2024, at the age of 74 in Playa del Carmen. Beloved husband to Penelope for 53 years. Loving father of Joanne (John) and Jeremy (Lucy). Grandad to Sarah, Emma, Jayden, Cadence and Sophie. He will be missed by many family members in the UK. Paul will be remembered for his sense of humour and his laugh.

A Time of Remembrance was held at Adams Funeral Home (445 St. Vincent St., Barrie, ON) on Saturday, May 25, 2024 from 2 to 4 pm.

In lieu of flowers, Memorial Donations in Paul's name to the charity of your choosing would be appreciated by the family.

DEBBIE'S DESK

by The Rev. Debbie Dennis

As part of *The Cast the Net* visioning process, the diocese has decided to “go back to basics” and have a two-year Season of Spiritual Renewal. I welcome this initiative because I believe it reminds us that in an increasingly post-Christian culture, we need to be bold and intentional in living out our faith.

I think our Jewish sisters and brothers can teach us some valuable lessons. The Chosen People have endured struggle and persecution throughout the ages. They have had to create practices to safeguard their identity and to pass their faith on to future generations. The family unit has been a key building block of their spiritual and cultural life.

Now, we too, as followers of Jesus need to develop commitment faith and lifestyle practices.

The Season of Renewal invites us to retrieve and revitalize four ancient spiritual disciplines: Prayer, Scripture, Worship, and Discipleship.

1. Prayer: We want to encourage widespread prayer across the Diocese – for individuals and church communities, on Sundays and in other meetings – so we begin this season focused on listening to and talking with God.

Form a prayer team of church members who will commit to *praying daily* for the spiritual renewal of our church members and parish, and who will meet together *monthly* to pray as a group.

- Get the prayer team to invite and encourage church members to write some of their own prayers for spiritual renewal. The team could select and share some of these prayers with the [Season of Spiritual Renewal coordinator](#) so that prayers can be shared across the Diocese.
- Include a prayer for the spiritual renewal of your members, your church and your Diocese in the Prayers of the People each Sunday for the next two years.

- Ask your children and youth to write prayers for renewal and pick some to share with the Season of Spiritual Renewal coordinator.
- Engage the children of your parish in creating artwork for each of the prayers included in the prayer resources we send to your church. You could display the art and the prayers on your church bulletin boards, around the altar and on your church website.
- Include short (written or extemporaneous) prayers for your church's spiritual renewal at the beginning of *all meetings* (e.g. wardens, building and property, outreach, study groups, worship committee and youth/children's ministries). Let's raise the profile of prayer for our renewal throughout this season!
- Share the prayer resources we send to your parish with all your church members to use in their personal daily prayers (e.g. [Prayers Through the Ages](#), Prayers for Renewal from Across our Diocese).
- Encourage church members to participate in the workshops related to prayer offered as part of this season (e.g. ACTS: a pattern for personal prayer, The Daily Examen, The Daily Office, Christian meditation).

2. Scripture: We recognize the need for the study of scripture to be a part of our daily lives.

Here are some ideas for how to get your church engaging with scripture:

- Encourage church members to use a daily bible reading plan ([Canadian Bible Society](#) and [Scripture Union Canada](#) or the daily lectionary), provide them with links to download these free plans and encourage them regularly in their reading with verbal and written announcements.
- Tell church members about the single-session workshops related to reading and studying scripture that will be offered as part of this season such as:
 - Starting a Missional Small Group Ministry
 - Using The Bible Project videos, The Bible Course (CBS) or Christian Foundations for an overview of scripture
- Invite a few church members to participate in a series of five online lay-leadership training sessions that will prepare them to lead an in-depth bible study group in your church using the Engage study resource on Luke's gospel.
- Make families aware of resources (CBS and SUC) for helping children and youth deepen their knowledge of scripture (e.g. CBS resources: [Fear Not](#) (8-to-12-year-olds, 12 chapters), [The Word for Families](#) (free and

printable download with activities. SUC resources: bible guides for children [Airlock](#) (youth), [Hotshots](#) (age 7-8), [Snapshots](#) (age 9-11), [Family Quest](#) (family reading, prayer and discussion).

- Start a small group ministry focused on the study of scripture.

3. Worship: We desire everyone in the Diocese to have a renewed joy and desire to engage in the worship of the Living Triune God.

Invite lay and ordained leaders to participate in some of the single-session **workshops** and use some of the **print resources** that the Season of Spiritual Renewal will offer related to worship. Topics include:

- The Central Place of Worship (For priests or deacons who preach: a walk through three sermon outlines focused on texts related to the importance of worship)
- Making Space for Babies & Toddlers in your Church
- Including Children and Youth in Worship
- Enriching Prayer Ministry During Worship
- Including “Stories of Grace” in Worship
- Thinking Theologically about Worship
- Enhancing Worship Music in a Small Church
- Getting the Most Out of Your Sound System
- Encouraging Spiritual Development in a Choir or Worship Band
- Blending Contemporary and Traditional Hymns in Worship
- Practical ways to Improve the Reading of Scripture in Worship
- Making your Worship space more Accessible to Disabled People
- Engaging All our Senses in Worship: Introducing Incense
- Engaging with Online Worshippers to build Authentic Community
- Highlight and invite church members to join in at least one of the *large worship gatherings* planned across the Diocese for 2025.
- Make use of sermon outlines related to worship that will be provided as a resource and made available to priests and deacons.

4. Discipleship and Evangelism: We want everyone to be confident in sharing their story of faith

- Tell lay and ordained leaders and other church members about the workshops on *training leaders* to host and lead a discipleship course, program or resource.
- Build a team (covering prayer support, hospitality personnel, table leaders and set-up people) in the church to offer (or join with another nearby parish to offer) a discipleship course on-site in fall 2024 and/or spring 2025. Some examples of such programs are:
 - [Being With](#) (10 sessions)
 - [The Alpha Course](#)
 - [Christianity Explored](#) (10 sessions)
 - [Nua](#) (8 sessions)
 - [Christian Foundations](#) (9 sessions)
- Develop a team of lay leaders who will participate in and then lead members of your parish in “[Everyday Witness](#),” a 10-week course written by Dean Stephen Hance
- Develop a small team with a passion for creation care to lead a study group, which builds upon the strong interest among millennials for care of the natural world.
- Encourage parishioners who may be shy to share their faith to join the online book study of *A New and Ancient Evangelism: Rediscovering the God Who Calls and Sends* led by Judy Paulsen.
- Encourage parishioners involved in outreach events, services and programs to participate in a workshop featuring a panel of deacons who can help your church build stronger bridges into your community.

BOOKS AND THINGS IN THE LIBRARY

by Ann Timpson, Church Librarian

As the credits roll at the beginning or end of a movie, you may well see a statement of where the action came from. For example, at the beginning of the movie *The Ten Commandments*, there is a declaration "Action based on the Holy Scriptures", as well as a book title *On Eagles' Wings*. This book takes the Israelites across the Red Sea. A sequel, entitled *This Evil Generation*, gets them to the Jordan River and the death of Moses.

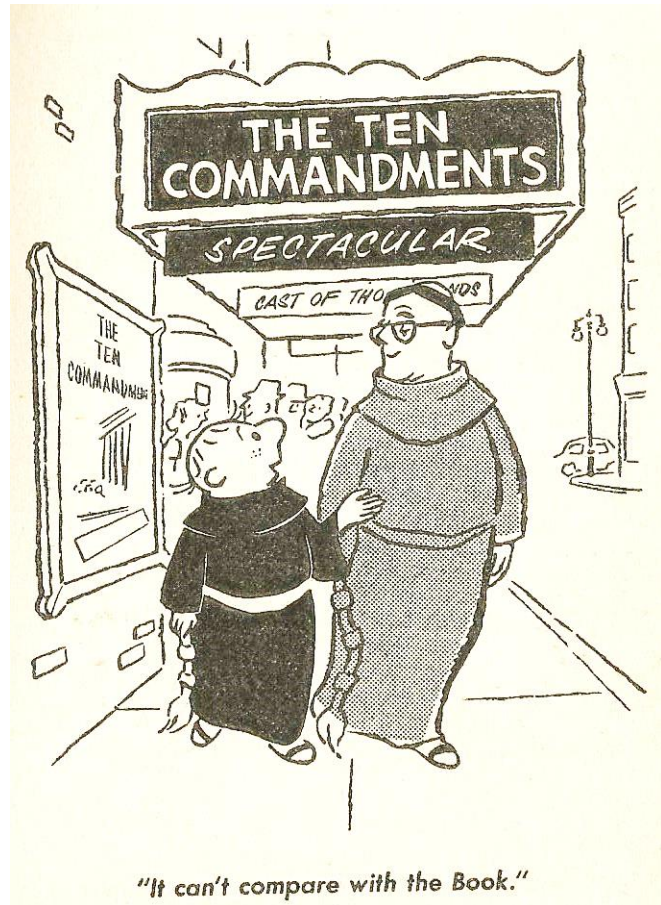

Another pairing of book and DVD is *The Lawgiver* going from the birth of Moses to his death on Mount Horeb.

We also have a boxed set of five DVDs called *The Kid's Ten Commandments* in which a boy named Seth learns God's rules. In addition, we have two movies about the life of Christ, one is called *King of Kings* and the other is *Jesus of Nazareth*.

Sometimes the movie sticks so closely to the book that you can visualize the action, other times you wonder if the script writer even bothered to read the book.

Another pairing is *One Foot in Heaven* about a Canadian from Stratford, Ontario, who became a Methodist minister in the United States. The book is both biographical and auto-biographical. It is written by the minister's son telling of experiences in the various parishes.

We also have a movie called *The Inn of the Sixth Happiness* based on the book entitled *The Small Woman*. This tells about an English lady, Gladys Aylard, who goes to China as a missionary and is famous for guiding one hundred children across northern China during World War II. If you want to know more about Gladys, read *A London Sparrow*.

Two books in another boxed set are *The Nun's Story* and *The Shoes of the Fisherman*. When *The Nun's Story* was published, some convents were not happy that the book revealed the struggle of a Belgium girl to conform to the Holy Rule, which laid out how everything was to be done, and you couldn't change it or do something your own way. In *The Shoes of the Fisherman*, we find out how a Pope is elected. In this a pope of Russian extraction strives to prevent World War III between China and Russia.

Among our fiction books we have books and movies like *The Keys of the Kingdom* which tells of a Scottish priest working in China as a missionary. We also have blockbusters, spectacular movies and books. These include *The Robe* about the soldier who dined for Christ's robe, and *Won Eternal Life*. A sequel to the movie is *Demetrius and the Gladiators* which has clips from *The Robe*.

Another spectacular is *Quo Vadis* with Peter Ustinov as Nero, and *Ben Hur* which contains the outstanding chariot race. The sub title to *Ben Hur* is *A Tale of The Christ* because it begins with the Christmas story and ends with Easter. The book was written by Lew Wallace, an officer in the Union Army of the American Civil War. We also have a version of the book written by his great granddaughter which takes out some of the longer passages. Writers of the 1800's, tended to be long-winded.

Finally, we have the books by C. S. Lewis in which young people go from our world to a fabled kingdom ruled by a lion named Aslan. The BBC dramatized four of these books and a few years ago, Walt Disney Studios filmed the same ones. These are *The Lion*, *The Witch*, and *The Wardrobe*, *Prince Castian*, *The Voyage of the Dawn Treader*, and *The Silver Chair*.

So come and enjoy our collection that you can both read and watch.

A SPECIAL THANK YOU

While I was in hospital, George told you about the fact that I had suffered a small stroke. Many of you promised to pray for me and I want to thank you for such kindness. I felt the uplift of your prayers and am now trying to get back to being me!

PRAYER SHAWL MINISTRY

**by Helen Steenkamer-
Punshon, Co-ordinator**

Welcome Spring!!! It is great to see the flowers sprouting up and starting to bloom, the grass growing and becoming greener with every passing day and all the wildlife scurrying around everywhere. It's the time of year that always seems to bring a sense of renewal and possibilities of new beginnings.

We are so happy to have our Prayer Shawl Ministry available to you so that you can request one for yourself and/or gift a shawl/blanket to someone else. Why not make someone else's day by presenting them with these items of love and support which let them know that they are cared for and never alone. Ask Cathy at the office or Helen at Church on Sundays.

There are so many reasons to gift a Prayer Shawl, also known as a Comfort Shawl, Friendship Shawl and various other titles. Here are a number of them:

- Support for someone who is experiencing challenges whether they be physical, emotional, spiritual, financial, medical, grief, etc.;
- Celebrations such as a new baby, Baptism, milestone birthday/anniversary/graduations, weddings, new home/moving, etc.

There are also small Pocket Prayer Cloths available that can easily fit into your pocket or purse and thus are portable enough to accompany you wherever you go. They can provide you with a tangible reminder that you are loved, supported and never alone. Great for challenges during exams, medical appointments, surgeries, basically whenever you need them. Please help yourself. They are located in the front hall on the table at the bottom of the stairs.

Many of the crocheted/knitted items made are done so using the makers' own resources but we have also been incredibly fortunate to have received many yarn and financial donations. For all donations and support received we are honoured and extremely grateful. A gigantic "Thank You" to all!!!

PEOPLES' WARDEN'S & TREASURER'S REPORT

by Mimi Price

The beginning of 2024 has afforded some opportunities for St. Paul's.

As a warden and the parish treasurer, it is always a time when we get a snap shot of the year ahead...the new faces, the ideas and programs and the continued support of the parish and the work of its faithful volunteers.

We have welcomed many new faces to St Paul's and with the re-introduction of name tags, we are getting to know who "we" are. Personally, I am a visual learner, so the name tags are a great help to me! I know St. Paul's to be a very welcoming community, so please welcome our new faces to their new "home" here at St. Paul's.

The parish breakfasts continue to be a casual way to get to know folks. The menu is always changing, as the volunteers try various breakfast ideas to tempt the tastebuds. What many don't see is the fun in the kitchen while the food is being prepared. While we take the job of food preparation seriously, opportunities for fellowship are always happening, whether it be deciding how to cook the eggs, what to put in the pancakes or getting a "facial" from the steam while unloading the dishwasher. If you ever feel the desire to help with a breakfast, reach out as we can always use an extra set of hands and another sense of humour! The "chief cooks and bottle washers" behind the breakfasts are Mark and Kathy Hall and Eleanor Beamish.

I am pleased to report that for the three-month period ending March 31, 2024, our revenue is ahead of the same period last year – yeah us!!! This is due to several revenue streams including an increase in parish givings (thank you), the use of our main hall as a rental space, and memorial donations. This knowledge helps to forecast the year ahead as we look to offer increased youth programming and other initiatives to keep everyone engaged in our church community.

Afterall, the church community is also "family" for so many.

PLANT SALE EXTRAVAGANZA 2024

By Kathy and Mark Hall

St. Paul's Plant Sale is a growing tradition

This year has brought a wonderful, warm spring to southern Ontario, and that's bringing a fine crop of stock for this year's St. Paul's Plant Sale Extravaganza.

The event takes place in the church parking lot on Saturday, June 1, from 9 a.m. to 1 p.m. We have lots of perennials from local gardens, herb pots, and also a selection of started tomato and pepper plants.

You can also chow down on pea meal bacon on a bun, hamburgers, hot dogs and soft drinks at our barbeque corner. You'll find a bake table stocked with homemade treats, and our ever-popular cement garden art vendor is back this year.

Be sure to come early for the best selection, and to enjoy a few hours of fun and fellowship with parishioners, friends and community members.

Many thanks to our many volunteers who make this event happen every year.

PICTURE: These sweet bell peppers are coming along nicely in the hobby greenhouses of parish members.

Join our Breakfast “Club”

One of our newest events at St. Paul’s is the parish breakfast, which is quickly gaining a fan club of its own. Offered every few months on a Saturday morning, the Community Breakfasts are open to anyone from the church and the local community. Feel free to drop by for a bite to eat and to visit with friends new and old. There’s no charge – although we do provide an opportunity for a freewill offering.

Thanks to our many talented volunteers we usually offer pea meal bacon, breakfast sausages, eggs, toast, jam, fruit, and all the pancakes you can eat – plain or chocolate chip. For a fun, informal morning out, watch for details of our next breakfast.

What’s August without a Corn Roast?

Come late summer, there’s nothing like the taste of fresh-picked corn on the cob with all the trimmings.

Once again, we’re busy planning another St. Paul’s Corn Roast. Mark the date: Saturday, August 24. We’ll have corn brought straight from Harris Farms in Grenfel, just outside Barrie. We’ll have burgers, salad, mouthwatering desserts and more.

It’s a seasonal favourite that wins over new fans every year. Watch for more details later this summer.

ST. PAUL’S CEMETERY BOARD NEWS

by George D. Timpson
Chair, St. Paul’s Cemetery Board

So far this year, the Cemetery Board has held two general business meetings: January 17 and May 1.

An item which has dominated our agenda over the last year and a bit, was the request from InnPower Corporation for an aerial easement along the north side of the cemetery property for new hydro lines. As you are possibly aware, InnPower services the Town of Innisfil and the southern portion of the City of Barrie up to Mapleview Drive East. I am pleased to report that on March 14, 2024, the Risk and Governance Committee of the Synod Council of the Diocese

of Toronto approved the “transferring of an aerial easement to InnPower Corporation over the cemetery lands of St. Paul’s Cemetery, Innisfil,” without any conditions. Thus, this issue has reached its conclusion and construction will start soon.

As of March 31, 2024, we have sold two inground burial plots and one more niche wall plot. Two inground burial interments have been held.

The cemetery board has a net income in excess of \$13,000.00 so far this year.

A special highlight of our calendar year is the special cemetery Sunday Service scheduled for Sunday, June 2, 2024, at the 10:00 AM service. A catered luncheon is provided for our special guests and regular congregation in attendance following the service. An advertisement for this event outlining the program and menu is found elsewhere in this newsletter.

RECTOR’S WARDEN’S REPORT

by Mike Sindrey, Chair, Property Committee

We are in late spring and coming fast into summer. The plant sale is fast approaching. If you need any plants for your gardens this is the place to come. We will have a barbecue and bake table as well. If you haven't tried one of our peameal bacon sandwiches you haven't lived.

The youth group is going strong. I talked to some of the kids about paint colours for the youth room. Pale pink and powder blue were the choices, and the shelving and trim will be a semi gloss white. We need a safe place for our youth to get together and to help with the challenges that come with transitioning into young adults.

Dinners and summer corn roast. We will be having a corn roast this summer please bring your appetite. I will be getting some watermelons and I'll challenge the kids to an eating race.

We will be having our fall regathering dinner on Saturday, September 14. We will be having a pork roast dinner this time. Stay tuned for more details.

Property. Overall, everything at the church is in good shape. There is the general maintenance of the water system, elevator, lighting etc. A section of the fence has come down, but I am having trouble finding someone to fix it.

I hope everyone has a great and safe summer.
