EDITOR'S MESSAGE

by George D. Timpson

Dear St. Paulians,

This is the twenty-second edition of *The St. Paul's Chronicle* and it deals with the three upcoming months of June to the end of August, 2025, as well as the events in our church life since March.

In this issue we have our final submission from The Rev. Debbie Dennis, our Incumbent. She is retiring at the end of July. Debbie's last service will be on June 29. Her article is self explanatory and covers her entire life within the Ministry of Christ and the Priesthood. On behalf of my wife, Ann, and me, I want to thank Debbie+ for the opportunities she has given me since we joined St. Paul's in 2016. Happy retirement, Debbie+, and may God bless you and Scott as you continue into your new chapter of life!

On August 1, 2025, The Rev. Bill Welch will be our Priest-in Charge until a new Incumbent is appointed by the Bishop and the Search Committee. Rev. Welch is quite happy with the traditional and family forms of Holy Communion. We welcome him to our parish.

I would like to thank Rev. Debbie, and Helen Steenkamer-Punshon, Mark and Kathy Hall, and my wife Ann for the pictures they have shared with me for inclusion. These pictures show the atmosphere of the event and add a lot of lightness to a newsletter.

Change in E-mail address: I have had to change my email address back to my old one: georgetimpson@rogers.com. I was receiving too much scam mail demanding money on the address with gmail. Please make this change in your contact list.

The next edition of *The Chronicle* will be released on Sunday, August 24, 2025. The deadline for submissions will be **Thursday, August 14, 2025**. Earlier submission of articles is always welcomed.

With regard to the calendar of events at the back of the newsmagazine, I assure you that every effort is made to ensure accuracy; however, as time progresses, plans change, and some timings/events do, too.

Please remember that church services alternate between Traditional using the BAS, and Contemporary. Traditional services are the 1st and 3rd Sundays, with Contemporary being celebrated on the 2nd and 4th Sundays. If there is a 5th Sunday, it is a combination service.

I hope that you will keep this copy of *The Chronicle* on your coffee table for frequent reference so that you are aware of what is happening at St. Paul's!

For the record, this edition consists of 5,352 words.

In Memoriam

There are no obituaries to report this edition. We are a healthy and strong congregation!

DEBBIE'S DESK, RETIREMENT REFLECTIONS

by The Rev. Debbie Dennis

The editor of this publication, George Timpson, asked me to do a retrospective of my time at St. Paul's. I began my ministry with you on August 1, 2006 so that is a few years to reflect upon! Undertaking this process has been a rewarding and satisfying experience. Join me as I stroll down memory lane.

CHILDREN'S MINISTRY

Close to my heart has been our Children's Ministry. I believe that if we sow good seeds, when the stuff of life happens, children and later adults have a solid foundation to make sense of disappointment, pain and grief. The goal is to have them associate church with inclusion and acceptance and integrity.

I channeled my inner grandma creating crafts for Messy Church, our Jesus Party, and our Deep Blue Sunday School curriculum. We had Pioneer Club afterschool on Wednesday. We had end of Sunday School/June picnics with informal worship. And during my almost twenty years with you, three times we had a large Sunday School and 'tween youth group.

I will forever be grateful to Doris Neelin, a retired primary teacher who directed our Christmas and Easter Pageants. My son Aaron and his peers grew up at St. Paul's and now I have the privilege of baptizing their children. Here are some photos:

CONTEMPORARY WORSHIP

We began our Contemporary service three years after I arrived at St. Paul's. It has undergone many evolutions including us receiving a 14K Our Faith, Our Hope Grant from the diocese to upgrade our entire media system. Thank you to Gil Boeckler, Richard Russell and Frances Oakley-Marshall for their leadership in this.

Our 4:30 pm Christmas Eve service brought excitement and crowds as we attempted to find an engaging and creative way to depict the Sacred Story of Jesus' birth. I love the Candy's Maker's Witness which tells us about the symbolism behind the candy cane and The Grinch Who Stole Christmas, reminding us that even those with "spiders in their soul" are worthy of redemption and inclusion.

We learned how to "do church" during the Covid pandemic which meant that parishes were pushed to learn new skills and do online worship. We are now forever a hybrid Church. We will have in person services which are livestreamed. Me learning this was nothing short of the grace of God!

ADULT EDUCATION

I love to learn and I love to teach. The adult education courses that we have participated in together have been highlights for me. It is pure gift to see someone make a connection and grow deeper in the knowledge and love of Christ Jesus.

Shortly after I began at St. Paul's, we launched Stringing Pearls, focusing on various portions of Holy Scripture often using Henrietta Mears' *What The Bible Is All About*. Mears was Billy Graham's bible teacher and excelled at making scripture understandable and inspirational. We spent two years on the New Testament, focusing on the Gospels and Paul's Epistles. And one year on Hebrew Scripture. Tuesday afternoon was a cherished time for me and many others.

I also am proud of the work we did on studying our relationship with First nations peoples as our attempt to bring healing and work toward reconciliation.

And most recently, we have turned to Amplify, "Christian Netflix" distributed by the United Methodist Church, to use video presentation by various scholars.

FUNERAL MINISTRY

Norm (absent) and Marlee Kennedy, Frank and Queenie Little

In most parishes, pastoral visitors do the friendly visiting with parish members and those who are shut-in. I have always been privileged to do Sacramental Ministry including Prayers for the Dying. It has been to walk on holy ground and it is a deeply moving and emotional experience. After twenty years, parish members have become like family who I have written many chapters with. There have been so many faithful departed, each of them having left their indelible and unique mark on the parish.

OUTREACH

I am proud of the monies that we have raised and donated to various charities over the last two decades. Soup lunches to our Angel Tree, we have supported The Busby Center, Barrie Food Bank, CMHA, and Youth Haven to name a few. We sent Children's Ministry resources to Yellowknife, medication to Venezuela, sweaters to Syria, eye glasses to Kenya and supported disaster relief through PWRDF.

SPECIAL EVENTS

Many thanks to Cathy Turgeon who along with myself put the coffee pot on for many years for our Thursday afternoon seniors' Drop-In. A highlight has been our Christmas Senior's Tea with our trivia games and impromptu pageant.

CHRISTMAS BAZAAR:

I delighted in the days leading up to our bazaar when so many of us worked to set up our respective tables and simply enjoyed spending time together as we did it. I tried to make something unique each year and some items were more of a hit than others. Outdoor signs and t-

shirts were two of those hits.

PARISH SUPPERS:

We have enjoyed spending time with each other, chatting over a delicious meal which also raised funds for the parish. Thank you to our “chefs” Phyllis Crews, Norman Thompson, Marilyn Hutchison, Mike Sindrey and Father Ken Roguszka.

I grew up as a “cradle Anglican” and the parish church was always a loving community for my family. I am blessed to have always known Jesus and was taught to worship, pray and learn. I have included the photograph of me when I was ordained to the diaconate in 1987 and then one of me on my tenth anniversary as your Incumbent. Life-changing for me was meeting my

There are so many more memories of people and events that I simply could not list them all. I have been inspired by those who offered their time, talent and treasure in various ways like churchwardens, lay worship leaders, ministry leaders and the small but important ministries of hospitality.

I give thanks for being able to earn a living doing something that I love and believe has made a difference.

I look forward to whatever the Spirit has next as I begin a new chapter.

In Christian Love, Debbie+

BRIAN LUSCOMBE AWARDED KING CHARLES III CORONATION MEDAL

For 30 years, Brian Luscombe, a member of our parish here at St. Paul's, has protected communities in Ontario. He began as a constable with the Toronto Police Service and then moved on to working with the OPP. In 2020, Brian retired as a Sergeant. During this time, he also served as a citizen soldier in the Canadian Forces Reserves for 32 years and attained the rank of Major. Now Brian holds a leadership role at the CFB Borden as commander of the plans officer.

Brian was deployed three times on domestic operations with the army reserve: - in the 1998 Ontario-Quebec Ice Storm as a platoon commander; in the 2005 water crises in northern Ontario as site commander; and in the 2019 flooding in Bracebridge and Ottawa Valley as Officer Commanding Administration Company (logistics operations).

Brian was awarded the Governor General's Commendation for Bravery as a Toronto Police officer for a rescue in a smoke-filled apartment where he got to kick the door in. He has always had lots of excitement in both careers.

His service doesn't end there! He has always given back whether it be as a Scout leader, fencing coach, or community volunteer. Today he continues at CFB Borden and may retire in a few years.

BOOKS AND THINGS IN THE LIBRARY

by Ann Timpson, Church Librarian

As always in the July issue of *The Chronicle*, our display is about Canadian items. I started this with showing Canadian movie stars when I first became Church Librarian and my report began with the question “Did you know that Moses married a Canadian?” Well, in Cecil B. DeMille’s epic film, the man playing Moses chooses Zipporah, one of the daughters of Jethro, priest of Midian. That role was played by Yvonne de Carlo, who was born in Vancouver, British Columbia.

Last year, I lauded Lynne Johnson of Elliot Lake, Ontario, who for years has drawn the cartoon *For Better or for Worse*, as well as Jannette Oke, who has written many books about the early days of Canada’s west. Several of these have been made into movies, which we also have.

Being one not to blow my own trumpet, I also told about a series of studies I wrote for young people called *How We Got the Bible in English*. It’s quite a fascinating story. For instance, did you know that Henry VIII commissioned a translation of the Scriptures into English? The work was at the urging of Thomas Cranmer, the first English Anglican Archbishop of Canterbury. It was called the Great Bible and was certainly big, about the size of the old Toronto phonebooks, and was chained in place! Nobody could sneak off with it. You see, Henry wasn’t just Honeymoon Harry, the much-married monarch.

But now let’s look at present Canadian works in the library. One which was written by a lady from Manitoba, has the title *I am the Prodigal; I am the Eldest*. We also have four novels by Susan Anne Nason.

Another Canadian author is Susan Orchard, who writes about a detective who looks for stolen art works. If you’re familiar with Impressionist artists, you’ll appreciate the humour in titles like *A Man and His Monet* and *Another Day, Another Dali*.

A book of Bible-based cartoons is *What’s That Funny Look on Your Faith?* We have used cartoons from this book in previous publications.

Two books in our collection have won Canadian literary awards. They are *If I Just Had Two Wings* and *Hannah’s Suitcase*. The first book tells of slaves escaping to Canada using the Underground Railroad. A map of their route at the beginning of the story shows how they walk (!) from American states bordering the Gulf of Mexico to Chatham, Ontario! The story also tells of passwords so the slaves know who to trust. Many of the people who helped escaping slaves were Quakers, who abhorred slavery. Their assistance could also mean arrest and imprisonment.

The second title tells of a Japanese gentleman who has set up a Holocaust Museum in Tokyo. When the young curator asked for an actual artifact from the concentration camps, she received a suitcase labeled Hannah, with the German word for orphan. The book tells of the search to find just who Hannah was. In the book, we also meet a gentleman from Toronto, who can answer all these questions.

Finally, we have an all-Canadian recording of highlights from Handel's *Messiah*, with Sir Ernest Macmillan conducting the Toronto Symphony Orchestra and soloists Lois Marshall and Jon Vickers. The work was recorded by Beaver Records. You can't get much more Canadian than that!!!

PRAYER SHAWL MINISTRY

**by Helen Steenkamer-
Punshon, Co-ordinator**

I believe that we are finally in Spring! There are birds chirping, leaves budding out, flowers starting to bloom and I was overwhelmed the other day by this magnificent Magnolia tree just down the street from where I live. Literally took my breath away and I returned home to get my camera to take a picture and preserve that beauty as best as possible.

We have also had a number of beautiful moments and celebrations over the past few weeks that will become very cherished memories.

The wedding of Jean Oldershaw's son, Jim and his beautiful bride, Dee, was a lovely day that spoke of a mature love that flourished and was celebrated in a wedding ceremony that joined the two of them in Matrimony.

There was also a wonderful celebration of Jean Oldershaw's 95th Birthday. So many commented that they wanted to be just like her when they grow up which speaks to the fact of how extremely special, she is. Jean is such a positive role model. Always has a smile on her face, is involved in so many activities, donates her time and resources to earning funds for St. Paul's and is always such a delight to be around. We are indeed so very blessed to have her in our Church Family.

The Prayer Shawl Ministry was honoured and privileged to gift blankets for these two events to show the love and support from the people of St Paul's.

If you know of any other events coming up in the future, please let us know so that we can acknowledge and celebrate them. You can always leave a message with Cathy at the Office or speak to me after Church on Sundays.

We all know by now that Rev. Debbie is retiring at the end of June. We were asked to share just how Rev. Debbie has had a role in our Ministries. Just over 11 years ago in January of 2014 I approached Rev. Debbie with the idea of starting up a Prayer Shawl Ministry after hearing of the heart wrenching news of Amanada and Augustin losing their daughter during childbirth. My Mom had been involved in such a Ministry in her Church and I felt that it might be of benefit for St. Paul's as well. Rev. Debbie was all for it and said that it would be completely in my control so that she could devote her time to where she was most needed. We haven't looked back since and I am so very grateful that our Ministry has flourished and made a difference in the lives of so many people. Infinite thanks Rev. Debbie for allowing us to do what we can to show love and support to the people of St. Paul's and beyond.

Our Prayer Shawl Group meets every 2nd Wednesday of the month, 9:30 – 11:00-ish a.m. and we welcome anyone who would like to join us in this Ministry. We can supply you with yarn, needles/hooks and patterns. There are no quotas or skill levels required. It's all about fellowship, sharing and working together to make a difference in a positive way for others.

Many of the crocheted/knitted items made are done so using the makers' own resources but we have also been incredibly fortunate to have received many yarn and financial donations. For all donations and support received we are honoured and extremely grateful. A gigantic "Thank You" to all!!!

PEOPLES' WARDEN'S & TREASURER'S REPORT

by Mimi Price

This summer, as you enjoy time with family and friends, remember that your faith community is praying for you. We are fortunate to belong to a community that believes that each of us is part of the whole and that we are stronger because we are part of this caring community.

St. Paul's will celebrate its 175th anniversary in 2026! St. Paul's was established in 1851. How incredible is that? Think of the number of people who have sat in the pews we sit in today. What are their stories? How did their worship at St. Paul's enrich their lives? How many children were part of the Christmas pageants over all those years, who were they and where are they now? While the front of the church has been re-arranged, there were choir stalls and think of all those who sang to and of God's glory. The story of our church continues to be written today.

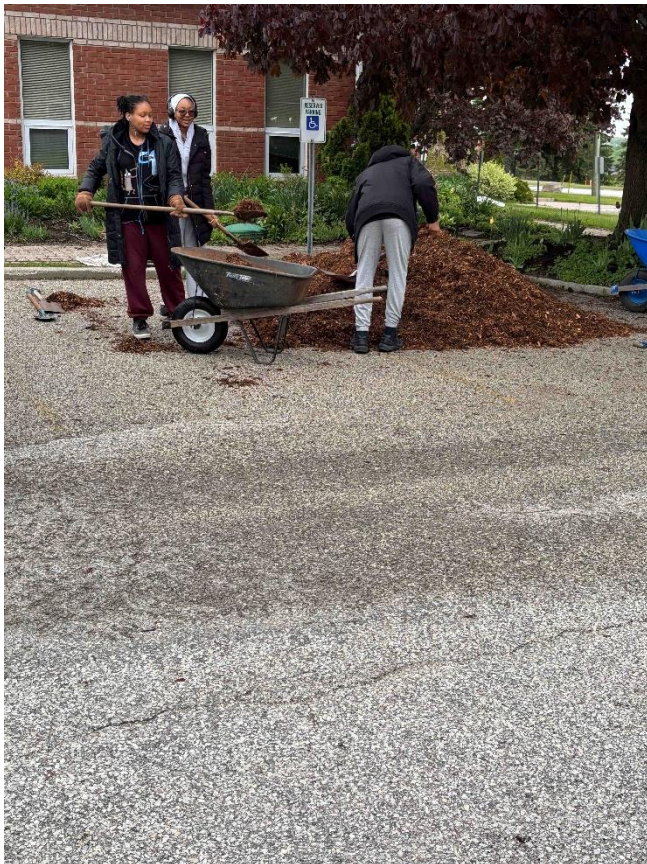

It is up to us to continue the story. What will that story look like? What can we do to continue a story that has endured so long?

Some people do not think that church is "cool." Well, whether cool or not, church is the opportunity to live out one's life purpose. We know that God created us for a reason and that each of us has the potential to make this world a better place. When we meet each week, we meet in our Lord's presence, and He gives us grace to get on with our lives in His service. What we do directly impacts the spirit of St. Paul's. If we can continue to build the spirit of St. Paul's into all those who cross our door, then we are doing what God wants to do. While we may not see what that is today, it will be evident in time.

Our individual talents enhance our church and enable us to continue the work of St. Paul's to build community. Whether that is through our monetary givings or the talents we share, St. Paul's is richer for it. Each of us, through God, shares their worth and we as St. Paul's community are better for it. It is in sharing what we have that God shines brightest.

So, 175 years from now with your continued support, the story of St. Paul's will be one of faith in God's plan for us, God's grace, and a bright light for our community.

The following pictures were taken on Clean-up Day, Saturday, May 24, 2025. Thank you to those people who helped!

ST. PAUL'S CEMETERY BOARD NEWS

by George D. Timpson
Chair, St. Paul's Cemetery Board

The Cemetery Board is alive and well with lots of things happening! So far this year, the Cemetery Board has held one general business meeting: April 30, 2025. Our next general meeting is scheduled for Wednesday, October 8, 2025.

Over the last year or two, I have referred to the request from Metrolinx to raise the hydro lines above the railway tracks in preparation for the double tracking to occur. I am pleased to report that the hydro lines requested by Metrolinx have been raised by InnPower Corporation.

In the past few months, we have had some problems to deal with in the property. Vandalism – in the sense of breaking windows on our vault building – have been replaced with plywood.

As well the March ice storm caused some damage to our trees. This was remedied and cleaned up by an arborist. No major damage occurred.

We have had to adopt a policy that the cemetery is closed from November to the end of March due to “slip and slide” and the prohibitive cost of obtaining insurance should an incident happen.

On Sunday, June 1, 2025, we celebrated Cemetery Sunday with a special service to which many who have deceased relatives within the cemetery were invited. A delicious luncheon was served to all present in the parish hall at the cost of the cemetery Board. It was a windy day with low temperatures but sunshine! There are pictures from this event on the back cover of this edition of *The Chronicle*.

I want to thank all the members of the Board as their input and knowledge of activities helps to guide us as we make decisions. As well, I have to recognize our cemetery operators, Sanderson Monument Co. Ltd. of Orillia who have cared for our cemetery grounds for many years and their work certainly shows!

RECTOR'S WARDEN'S REPORT

by Mike Sindrey, Chair, Property Committee

I would like to take this occasion to thank Rev. Debbie for her many years (19) of service here at St. Paul's. She has been a wonderful spiritual leader, counsellor, and friend to us all. I wish her a safe and very happy retirement. She certainly deserves it her many years of ministry.

We had a very successful plant sale thanks to Mark and Kathy Hall, along with Eleanor Beamish. Thanks to all those who helped out. It was a very cold day for May 31, 2025, with strong NW winds and not much sunshine! Pictures from this event are on the inside back cover of this edition of *The Chronicle*.

Our upcoming events include Corn Roast and BBQ on Saturday, August 16, 2025, and the Regathering Dinner in September (date to be announced).

I hope you all have a safe and enjoyable summer!

LIVING BETTER ON LESS

By Anna Thomson, St. Paul's Parishioner

Just a few lines to thank Rev. Debbie for organizing our six-week course entitled "Living Better on Less".

From the Sunday morning announcements, it sounded very interesting and very much geared towards the 55+ members of the congregation.

Week 1: Digital Literacy

It was a refresher course on being aware of many of the frauds and scams that plague us by all types of social media. You cannot be too cautious.

Week 2: Staying Connected

It is vital we stay connected to as many people as possible. The older we get, the more this is a challenge. Volunteering combats loneliness.

Week 3: Medical Conversations and Values

We were introduced to a life long “Long Term Care” person named Robin. She explained to us the need for a “substitute decision maker”. This person, along with all members of your close family network, should be aware of all your “end of life” wishes. A hard subject to bring up, but as one of our members said, “Talking about it doesn’t make it come any faster”.

Week 4: Optimizing Quality of Life

Again, Robin gave us many pointers on how to keep ourselves well, active and engaged before and during our 55+ years. Protect your heart and brain. Be aware of body weight, cholesterol, diabetes, blood pressure, exercise, be socially active, reduce stress and laugh a lot. Find something you enjoy and have fun.

Week 5: Planning for future housing needs

Many questions were discussed regarding where we would like to live out our final 20 years. Would it be in our family home, a condo, long term care home or with a friend or family member. There were also questions around how this would be financed. Nobody has a crystal ball to predict when and how your future housing needs will change. We just need to be aware of the possibilities of these changes.

Week 6: Transportation

At 30, you cannot imagine life without a driver’s license. At 75, it’s a real possibility. We were joined this day by two very knowledgeable persons from the Town of Innisfil. They explained current means of transportation within and outside of the Town. They also gave us a vision of what the future may be like. There are options to consider but each area has different possibilities for help and it would be wise to get familiar with them before the need arises.

A worthwhile seminar.
